Spirit Night Rules and Regulations

- **ABSOLUTELY NO SOLICITING** to Chick-fil-A guests. If your organization is seen trying to hand out flyers or market to other guests during the event, the Spirit Night will be **immediately** cancelled and no earnings will be given. This includes soliciting anywhere on or near the Chick-fil-A White Rock property.

- Please inform participants they need to tell the cashier that their sale is for your Spirit Night.
- Participates can Dine-in, Carry out, or use the Drive-Thru. If they choose to use the Drive-Thru they must tell the cashier they are here for your Spirit Night.
- Qualifying Spirit Nights MUST be at least \$500.00 in sales in order for the 15% to be given, and have 2 volunteers each hour to help with the event, 3 if the spinning wheel feature is utilized.
- All checks will be made payable to the organization, not an individual.
- Spinning wheel game (if applicable) is available for 2 hours during your event. Your group will provide a volunteer to man the wheel, this is in addition to the 2 required volunteers. Any guests of the restaurant can spin the wheel for a \$1.00 donation to your group; the guest will be rewarded with a food coupon or a prize. 100% of the proceeds from this wheel game are yours to keep at the end of the night; we will take care of setting the game up and taking it down. The volunteer for this game is responsible for their money raised, as well as, the security of the funds during the event and the turnover of the funds to the organization after the event.
 - * If only 2 volunteers are supplied and the spinning wheel is utilized, the percentage of sales provided will be as though there is only one volunteer.*
- Only one Spirit Night permitted, per school, per semester (Spring/Fall) or two Spirit Nights allowed per year for non-school organizations.
- Have FUN but please be respectful of the other Chick-fil-A White Rock guests and the Spirit Night rules. We want the opportunity to partner again in the future semesters.

If the above regulations are not followed by the contract contact, volunteers or people associated with the organization, Chick-fil-A White Rock will have no other option than to cancel the Spirit Night immediately and no financial support will be awarded to the organization.
